*"Creating and maintaining a safe, trusting, and caring environment where teaching and learning are exciting, and students embark on a lifelong journey of learning."
(NWS Mission Statement)*

Warm greetings to you and the entire school community from Nehru World School (NWS) in Ghaziabad, India. We hope this letter finds you, your family, and your school community in the best of health and spirits.

For ten successful years, NWS has hosted CREÒ, a creative and literary arts festival. In 2022, we witnessed participation from over 1800 students representing 84 schools from various countries, who engaged in 50 captivating events.

We are pleased to announce that CREÒ International 2023 is back, and we extend our invitation to your esteemed school to participate in this extraordinary event. The CREÒ International 2023 offers three different ways to participate:

1. **Online Recorded Videos Events - 7th August 2023**
2. **Online Live Events - 21-23 August 2023**
3. **Events at NWS Campus - 24-26 August 2023**

By providing these options, we aim to transcend geographical boundaries and invite schools from across India and around the world to participate. Our goal is to create a platform for unique learning communities to connect, foster global awareness, and provide unparalleled learning opportunities.

Learners aged 3 to 17 will have the extraordinary chance to showcase their talents in 54 diverse events spanning the fields of Fine Arts, Public Speaking, Science and Technology, Photography, Literature and Performing Arts. **At CREÒ International 2023, our online events honour individuality. Each performance is independently assessed and recognised as "Excellent", "Merit", or "Noteworthy". This distinctive approach appreciates every participant's unique endeavour, creating an environment where everyone is a winner.**

To assist you in understanding the festival in greater detail and to facilitate your registration for CREÒ International 2023, we have enclosed guidelines and event specifics in the accompanying documentation.
